From time to time in the news we hear about the courage of someone who has put their own life at risk – or sometimes lost it – in order to save others.

We believe the story of Easter is the pivotal event that has changed the world forever, and sacrifice is at the heart of it. Jesus' death on a cross and resurrection has epic implications that echo through history.

Why did Jesus die on a cross? What does it mean for me today? Join us this Easter as we tease out the answers to these vital questions – we'd love to see you.
